**'May I just take a moment to let you guys
know that the MarvellousMe app is AMAZING!**

As a working mum, I often feel a little out of touch with school life. Please don't get me wrong, I love talking to my daughter about her school day, but she doesn't always tell me everything.

I can sometimes feel left out because I don't hear about her awards or badges until after everyone else, and that's if my partner remembers to tell me, as he's busy running the rest of our lives lol.

I really enjoy receiving my MarvellousMe notifications! I love seeing how her day's unfolding as it happens. It puts a big smile on my face!

I think us parents can be very quick to let the school know about something when it's wrong. But not enough of us let you know when something is right!

**THANK YOU for using
MarvellousMe!**

Working mum, Sussex.

Simple for parents, carers and grandparents to join up and use. No mobile numbers needed.
