# Whole school parent engagement...

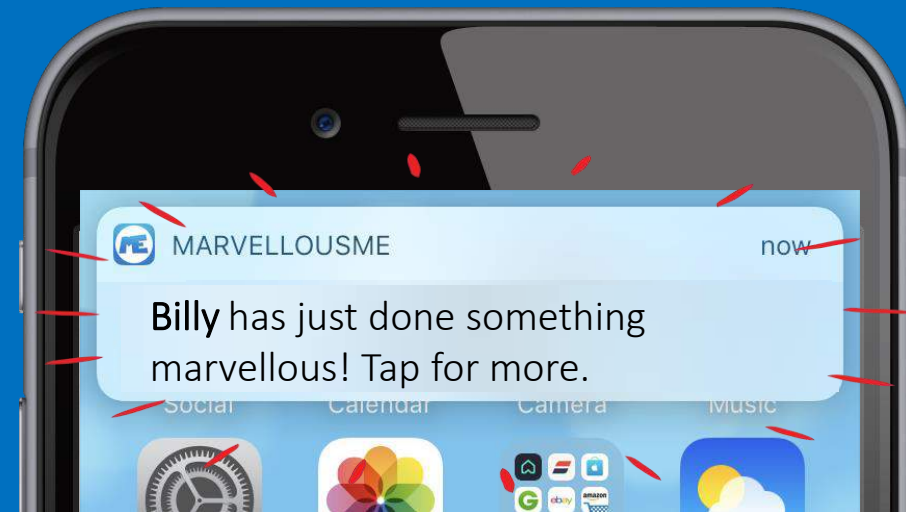

**‘MarvellousMe is the best thing that we have ever done to engage parents in their children’s learning.’**

(Andrew Sharp, Headteacher)

**‘Pupils said MarvellousMe provides rewards, highlights their strengths, and helps their self-confidence.’**  
(OFSTED)

# Where MarvellousMe fits...

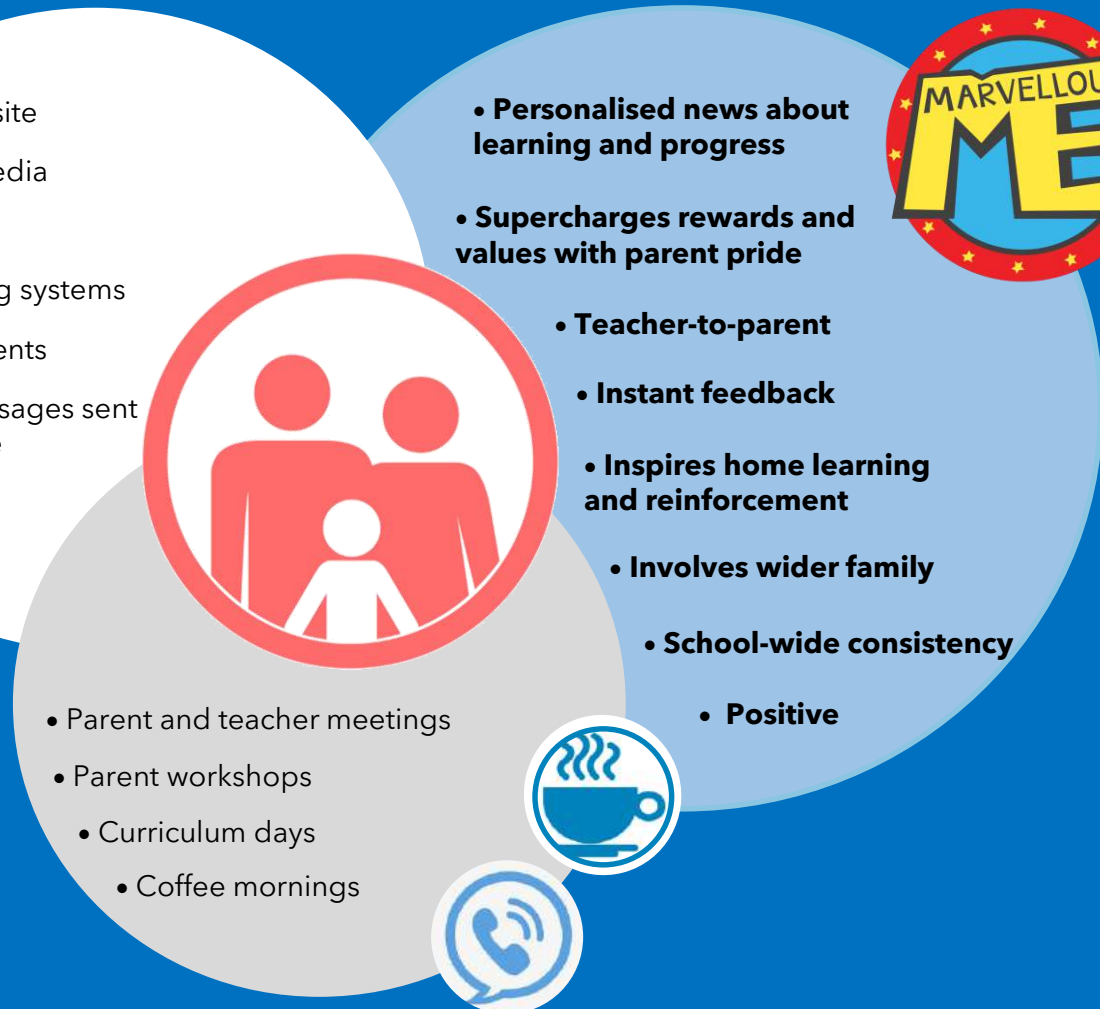

## School Messaging General communications

## Teacher-Parent Partnership

Personal, positive, learning-led and praise-led news

‘Parent engagement is one of the most effective ways to improve children’s happiness, motivation and confidence at school, helping them to become more powerful learners.

The more parents and children have good conversations about school, the better pupils achieve.  
**MarvellousMe makes these family conversations happen.’**

Bill Lucas, Professor of Learning at the University of Winchester and co-author of ‘Educating Ruby’.

# Key points.

MarvellousMe is a **whole school** parent engagement system, designed by a once-disengaged dad.

MarvellousMe delivers **positive news about learning and success**, in an **engaging and personal way**, and as a cherished keepsake. It will help to **improve attendance, home support and outcomes**.

**MarvellousMe won't add extra work**. Setup is done by the office, **parents can't message back**, and **teachers typically use MarvellousMe in a plenary**, twice a week.

Leaders can **focus parent engagement on key learning areas and its school rewards and values**, and MarvellousMe delivers **progress tracking and impact evidence**, even on special cohorts like Pupil Premium and SEN children.

The office can award MarvellousMe **badges for attendance and punctuality**, send messages and newsletters, and auto-tally House and team scores. It helps to save time, money and the environment.

MarvellousMe is used by over 700 schools, with an **average parent join rate of 9/10**.

# When & how often to use MarvellousMe

Post an activity once a day, 2-3 days a week (e.g. in a plenary session).

Award badges fairly and inclusively.

Keep all messages and reminders positive.

Get all of your parents joined up.

Use media in line with the school's policy.

# Answers to common questions

## Can more than one family member join for a child?

Yes, the join code is unique to the child, so you can give it to multiple family members to join. They join individually with their own email and are not connected in anyway. Parents can also invite other trusted people through their app.

## How does a parent add a second child to their app?

To add a second child, or more children, to their app, parents open the app, tap the 'Add child' button, and enter the unique code for the new child. They will then see all their children in the 'Child Select' view.

## Can you delete parents?

Yes, you, or the office, can disable or delete parents. You do this in the 'Parent Join Codes' section, in 'Setup'.

## Will parents see any missed messages when they join?

Yes. Whenever a parent joins, they will see all the Activities, Badges and Messages that you have sent, so they can catch up on missed news.

## Can you delete messages sent in error.

At the moment, no. The chances are the messages will have already been read. We can delete messages and media for you on request.

## How do I set up my class for the new year, make any group changes, see other groups and add and remove pupils?

This is all taken care of for you in the main admin portal. Please ask the school office to help.
