

Parents love MarvellousMe because it makes them smile and feel proud. That's why the average class join up rate is over 90%.

Children can help you get parents engaged too. Here are some ideas...

Tap Setup, then Parent Join Codes.

Print and give out the parent join code letters.

For lots of tips and resources to help get all parents onboard, please take a look at:

<https://marvellousme.com/teachertips/>

- **Award a SuperParent badge**, and ask children to nudge their parents to join up to see it.
- Regularly reprint the join code letters.
- **EAL/Translations** - Use our translated introduction letters. Remember to add the join code to each one.
- **Separated parents** - Print the same join code letter for each parent to join independently.
- **Ask children** to colour in a MarvellousMe poster and take it home. It will prompt parents to join.
- **Mention MarvellousMe wherever possible:** Parents' Evenings/Workshops etc., newsletters/emails/texts, website, posters, social media, letters.

** The school office can easily print letters and reminders for you.*

Need more help?

- **Forgotten your password?**
- **Can't see your class or group?**
- **You need to add or remove a child from your class?**
 - The school office can fix all of these.
- **You don't know how to use MarvellousMe?** Tap your name, and Help and Resources.
- **Anything else?** Ask us at support@marvellousme.com
