

# Set home learning exercises with MarvellousMe.

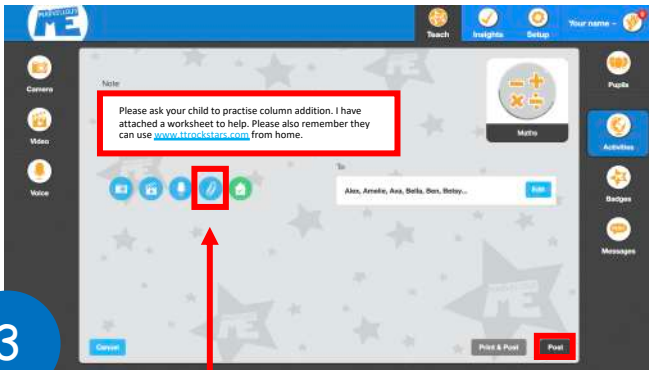

Use MarvellousMe to send attachments, and add weblinks to point parents to useful sites and learning resources.

Choose your class, then child, children or select all.

Tap **Activities**, and select your learning topic.

Write a short note to tell parents about the learning exercise. **You can add a weblink.**

Add an attachment. We recommend pdf (<5MB).

If you want to flag to parents there is a deadline, tap the green home task icon and choose the date.

Tap **Post** to send the message.

## Need more help?

- Forgotten your password?
- Can't see your class or group?
- You need to add or remove a child from your class?
  - The school office can fix all of these.
- You don't know how to use MarvellousMe? Tap your name, and Help and Resources.
