

# You Smile-Maker!

Supercharge your Learning Powers, Rewards and Values with MARVELLOUSME Badges and Parent Reinforcement.

## Teachers

- There's no setup or upkeep.
- It's fast, on PC and tablet. Just select the child/children you want to praise and tap your badge to award.
- Award badges for any positive behaviour, reward or skill, and House Points. Add a comment, photo, video, voice clip or file.
- Print certificates and MemoryBooks.
- Track which children have received badges, how many and what for.
- Parents can't message back! They Hi5 to say 'thank you'.

## Parents

- Get an exciting alert when their child receives a badge. It helps them to have better conversations about school and reinforce their child's progress.
- Multiple family members and carers can join. It's ideal for separated parents.
- View their child's badges and teacher comments for all school years, and download a MemoryBook.

## SLT

- Create badges with your designs and labels.
- Analyse badges awarded by class, pupil, teacher, Year, House, or any filter. Set threshold targets for real prizes.
- Ensure teachers are awarding children consistently and fairly, and for the values that matter most.
- SLT, visitors and specialists can award badges, and the office for Attendance and lost teeth etc.
- It's UK-hosted, GDPR compliant and affordable. Social distancing built-in.

# Make children and parents smile at the same time!

Award badges to celebrate your rewards, values and learning powers.

1

Select a child, multiple children, class/classes or whole school.

2

Tap the badge you want to award.

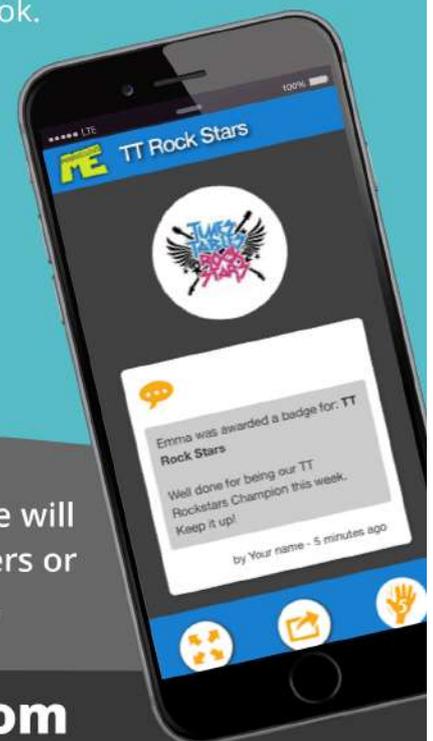

3

Write a comment to make it extra special.

The child's parents receive a personal alert telling them the great news. They can view their child's badge collection and cherish a MemoryBook.

Parents can't message back. They can Hi5, to show how much they love getting the updates.
