

STAY POSITIVE

A Covid
Essential Tool

'Now is the
worst time to
sideline parents
from school.'

MarvellousMe is the perfect way to engage and involve parents, without adding to teachers' workload or risking their well-being. This has never been more important than now, with the extra challenges faced because of COVID.

Swipe through some great ways that MarvellousMe will help your school and parents **sustain a positive partnership**, and help children flourish through the pandemic and beyond.

'We previously used Facebook and another parent communication app, but we were still only hitting 70%. With MarvellousMe we are up to 99% within two weeks, which is excellent.'

SOCIAL DISTANCING MAKES IT **DIFFICULT
TO ENGAGE AND REASSURE
PARENTS.**

MarvellousMe makes it easy to send learning-led notes and general messages to parents, sparking exciting family conversations about school and involving them in their child's school day.

Used throughout/during a lesson, MarvellousMe inspires the whole class and won't add to teacher's workload. Teachers are guarded from unnecessary replies, off-task comments and out-of-hour contact.

'In a time when parents are naturally worried about their child's wellbeing, MarvellousMe is an easy way to provide reassurance at any time throughout the day.'

MARVELLOUSME DELIVERS YOUR HOME LEARNING.

MarvellousMe is a light-touch way to send home learning exercises, files, media, and weblinks. Everyone can use it!

Teachers can even track when children/parents say they have completed a home task.

Use Chrome on PC

Add weblinks to notes.

Send worksheets, images and videos.

Parents add auto-add tasks to their calendar, get reminders, and tick when the task is done.

Teachers can track who's done the task.

'Increased parental engagement has seen a 30% improvement in attainment in reading, writing and maths.'

SPELLING PRACTICE

AT THE READY.

Spelling lists are never to-hand when parents want to do some impromptu practice with their child.

Help them out, and save paper and money, by sending the words in MarvellousMe. Highlight you'd like some home support, add a deadline, and track when parents tick 'Done'.

Celebrate spelling success in class with a Super Speller badge (*and maybe a Super Parent one for the home helpers.*)

A PAPERLESS & COVID SECURE

HOME READING TRACKER.

Reading diaries are expensive and waste lots of paper.

MarvellousMe makes it easy to see when children have read at home. Just send a Reading-specific note, flag home practice, and track when the task's done!

You're then all set to praise the child with a Star Reader badge!
